Cr. D. K. Grant — New Mayor

Cr. Doug K. Grant, the new Mayor of the City of Altona, is the first leader of this municipality to have lived his whole life in Altona.

Altona, which goes back prior to 1912, and having known many of the people involved, and seen most of the development of the municipality it is not hard to imagine why he felt so proud and honored.

In recollecting Altona's growth he said it is people who remain uppermost in his mind.

Cr. Grant referred by name to pioneers of the City which to him are more than just names of streets — he knew them.

Streets in Altona North are named after servicemen who paid the supreme sacrifice and were men he knew, some were school class mates.

With the expansion of industry new settlers followed and New Australians gave their time to this community — again they were people he knew.

Regarding the future, Cr. Grant said the Council expects that within another 10 years Altona will have a population approaching 48,000 and within 15 years 58,000.

But with the increase will come the need for further amenities such as kindergartens, public halls and reserves.

Next year will see the "start up" of an industrial expansion exceeding \$54,000,000 — enough to make one wonder in amazement when compared with what was in Altona 25 years ago, commented Cr. Grant.

He said the Council is preparing for the opening of the West Gate Bridge scheduled for the latter half of next year. Streets are made, others are being prepared so that land will be available, as necessary, for housing.

It is anticipated that the briquette depot will be phased out of use within two years and that THAT problem will be resolved.

Cr. Grant said that Council can foresee the need for a primary/secondary school complex in Altona North and perhaps part of the depot would be a desirable site.

He stressed several points Council is desirous of achieving:

- Improvements to environment in and around Altona;
- Appointment of a full time trained social welfare worker;

- The Board of Works to improve the surrounds of the north side of Cherry Lake;
- Further extensions to sewerage installations;

- Reduction in accidents, particularly in Millers Road and on the beach;
- Preparation of Architect's sketches for a swimming pool; and
- Beach improvements.

An activity Cr. Grant hopes to see continued is the garden competition implemented by Cr. Pat Burns.

Others the Mayor hopes can be fostered are a Baby Show in conjunction with the Infant Welfare Sisters, an Industrial Show and an "Arts Festival" which is being planned.

He suggests the Industrial Show could acquaint the people with what happens in the manufacture of goods within Altona and the end use of the products.

Cr. Grant concluded by saying that he hopes during his year as Mayor there will be "Spirited debate in Council within the framework of the Council by-laws." He added: "No doubt we in Council are, like any other organisations, plagued with the problem of rising costs and whatever is done, due consideration will be given to this problem."

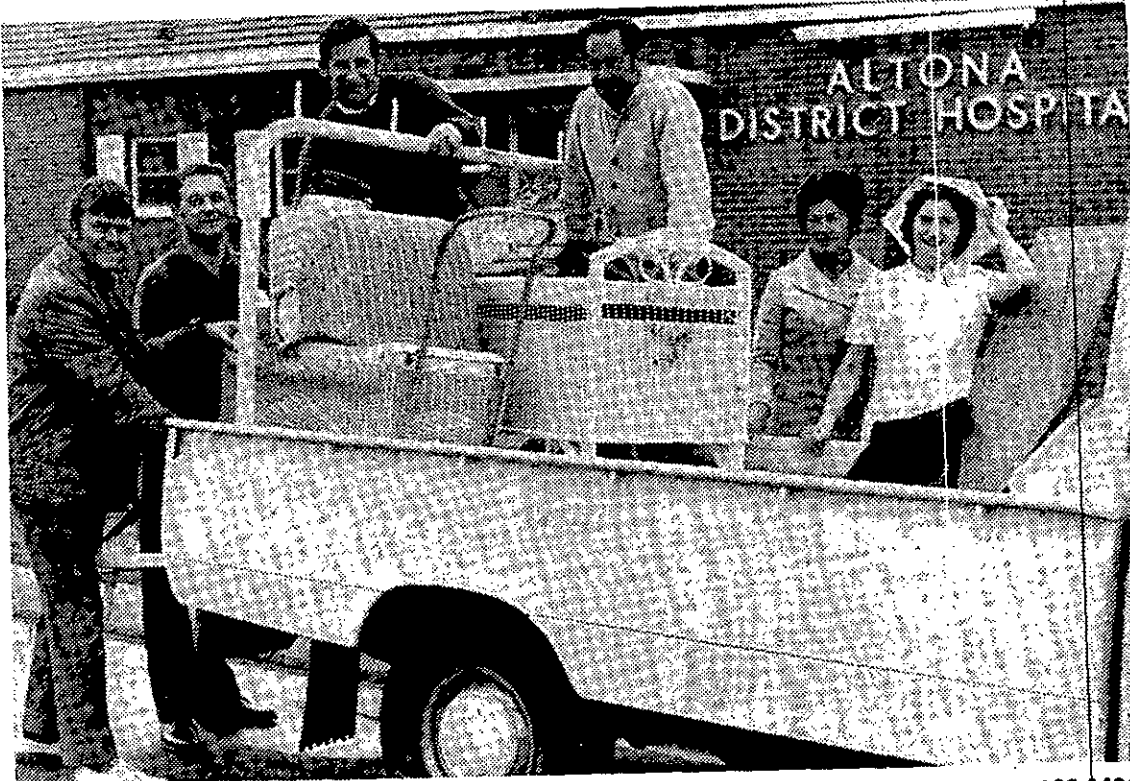

Young Soccer Player Honored

Young Altona soccer player, Bruce Roberts, has earned an Australian blazer.

He was one of three local lads in the Victorian Under 14 team which won the Australian championships. From all the players competing 12 were chosen for a team which could represent Australia. Bruce Roberts was one of the twelve.

Anthony Hamil and Graham Reilly were the other locals in the Victorian team which won all six of their games and the grand final.

Teams from six States competed at Sutherland, NSW.

White Elephant Sale In Aid Of Altona District Hospital

People working for Altona District Hospital aim to improve the facilities at the hospital and they will raise money at a White Elephant Sale on October 3.

They have collected white elephants from some homes in the City of Altona and they will collect more next weekend.

Pictured are some of the workers with some of the items donated by householders.

They are (from left), Messrs. George Killingback (Apex), Bob Stringer (hospital board chairman), Darrell Munn, Jack O'Sullivan (Lions), Mrs. Wilma Verlander (Hospital Ladies' Auxiliary) and Sister Kennedy.

Service clubs in Altona are behind the move, which was initiated by Rotary, primarily to enable more of the mothers who want to have their babies in Altona to be able to do so. Hospital accommodation does not allow it at present.

The white elephants they are taking to the receiving depot — the former Altona Star factory — are being transported within white elephants. The pram and the cot were given to the appeal.

Next weekend, such workers will be collecting again.

"Turn out your cupboards and sheds," they asked residents, in pamphlets distributed last weekend.

"To have your goods collected or for further details please phone, 314 6812, 398 2524, 398 1152, 398 2693 or 391 2022."

Any item which can be auctioned is welcomed. It can range from a TV set (there is one donated already) to a locket. Or from

a wardrobe to sleeping doll.

In between, the organisers seek such items as picks, shovels, stools, books, boats (from toys upwards), washing machines, heaters, typewriters (they have one al-

ready), furniture, paintings, frames, good used clothing, lampshades. In fact, anything at all.

If it's not in working order that matters little — people will bid accordingly on October 3.

ALTONA WINS THREE FLAGS

Altona Football Club made a clean sweep of all three Western Suburban Football League premiership pennants in gaining two grand final wins over the weekend.

In Open Age Altona took the points against a determined Central Altona, while in Under 18, Altona got up in the last few minutes of the game to snatch victory over Newport.

Central Altona drew level with Altona at the halfway mark of the last quarter, while Newport led by 13 points at the five minute mark of the last quarter.

Some emotional scenes followed the great victory of the Altona City Football Club over a dogged and determined Central Altona, in the W.S.F.L. grand final at Newport oval last Saturday.

In a pre-match address, Altona's coach, Del York said that with six months' arduous training, frustrating injuries and setbacks, only comradeship, respect, discipline and a genuine desire to play as a team had got Altona to the grand final. He had the fullest confidence that every player would give his all in this final effort. See report page 12.

OPENING AND DEDICATION OF ST. EANSWYTHE'S

Dr. Frank Wood, Archbishop of Melbourne, will officiate at the opening and dedication of the church of St. Eanswythe at the Parish centre on Saturday next. This appropriately will be Saint Eanswythe's Day.

In a service, commencing at 3 p.m., the Archbishop will receive the keys to the new building, dedicate the parish centre and the church and furnishings, and hand over the keys to Rev. J. Lawley, Vicar of St. Eanswythes.

The Anglican church had its beginning in Altona in 1926. After a rather chequered career, it became a separate parish in 1959. In the last decade it has taken an increasing part in the spiritual life of Altona.

A new vicarage was completed in 1963. St. Luke's Church in Altona North was built in 1964.

At that time there were long range ideas for a new church in Altona.

The old wooden church, previously transferred from Laverton in 1933, was no longer considered adequate for the needs of Altona.

Over the more recent years the move for a new church gained impetus, and

SERVICE CLUBS

The comparatively recent growth of service clubs has been a positive advance in our way of life.

This trend, with so much emphasis in altruism, has done much for Australia.

Previously there have been clubs variously named. Most in common were self-centred, giving little more than lip service to the needs of others.

By stressing service to others and the community, the current service clubs can also be self-centred but in an eminently desirable fashion.

To be a good Apexian, Rotarian, Lion or clubman—is the first essential and this must come through the development of unselfishness.

Every present member should be on the watch for those men who will make the club even better, not only bigger.

Actions alone can make this world better. Thoughts or words are useless without acts.

The members of the clubs express themselves by their actions.

Altona Elderly Citizens

On Tuesdays and Thursdays, cards and games are enjoyed by members but it would be appreciated if a few more cards players attended.

One of the club members, Mrs. Ginnis, passed away recently. Sympathy is extended to her family.

On Wednesday, September 2, at the invitation of the indoor bowls section of the Working Men's Club, a tasteful morning and afternoon tea was provided and greatly enjoyed by the large number of members who attended.

Prizes were won by Mr. Gerrard, Mrs. Barber, Mrs. Woodyard, Mrs. Shields, Mr. McCormack, Mr. Bedson and Mrs. Hansen.

On Thursday, September 3, cards and games were enjoyed and the special effort was won by Mrs. Lane with Mrs. Kimpton winning the second prize.

The monthly dance at the Club in Sargood Street will be held on September 19.

Prizes for special effort and monte carlos. Entrance fee is 30c and supper is provided.

Members will be happy to welcome more dancers at the next dance.

FASHION DEMO.

A "Shirlene Fashions" demonstration is to be held at the Blackshaws Road Kindergarten, Altona North, on Tuesday, September 15, at 8 p.m. All welcome. 30 cents admission.

"Half A Sixpence"

Alan Small and Kim Williams rehearse the leading roles in "Half A Sixpence"

In March 1963, Beverley Cross's adaptation of H. G. Wells' immortal novel, "Kipps," with words and music added by David Heneker opened in London.

The musical: "Half A Sixpence," the star: Tommy Steele; the result: 677 performances — no mean effort in anybody's language.

Add to this 517 performances in its New York season and the word success flashes on the mind's eye as on the magic lights of a London or New York theatre sign.

Thus "Half A Sixpence" seemed the logical choice of a production for Altona North High School to follow on its successful 1968 staging of "The King and I" and the equally popular "Oklahoma" of 1969.

School populations change enormously in three years and so it most encouraging that one can find in the cast of 50 for 1970 many names that appeared in the lists for the previous two productions.

Nevertheless, 1970 does provide us with just as many new faces in the cast of "Half A Sixpence" and this, too, is encouraging as it reflects continuing student interest in the staging of musical productions — interest no doubt kindled by the past successes of the school.

In a departure from the policy of previous years, the school has called on the services of an ex-pupil to play the role of Arthur Kipps whose fortunes the story follows.

The lead role will be played by Alan Small who played in Oklahoma last year. With this one exception, the cast is composed entirely of present pupils of Altona North High.

Arthur's devoted sweetheart Ann is played by 13-year-old Kim Williams, a new arrival at A.N.H.S. this year and who possesses acting and vocal ability far beyond her years.

Chris Babich, Lyndsay Last and Susan Jeratsch are other "old stagers" with major roles in this year's production and they should not disappoint us, particularly Chris whose ability as a performer was demonstrated last year as Jud in "Oklahoma."

One of the most significant features of this production is that A.N.H.S. will be staging it in the new hall, the Richard McGill Memorial Hall which at the time of writing is being readied for its first public showing, the season of "Half A Sixpence."

Bearing in mind the previous productions of the school the 1970 season promises to be a further success and has already attracted the attention of people like Johnny Farnham, Alton Durban and Ronnie Burns who have all expressed their intention to be present.

ALTONA TENNIS CLUB

This coming Sunday sees Altona's top Under 19 team playing off in the grand final in the LTAV Metropolitan Region No. 1 Winter competition.

The match promises to provide some exciting tennis as the two teams concerned, Liston-Esplanade and Altona, played off in the final last year with Altona winning by the narrowest of margins.

The game starts at 1 p.m. at Spotswood tennis courts. Spectators are urged to come along and give much needed support to the young locals.

The team comprises: Geoff Wood (capt.), Greg Findlay, Peter Sawyer, Emerg.: Stephen Whitecross, Susan Keown, Bev Sandilands, Helen Shields, Emerg.: Lesley Hyde.

At a meeting last week of the senior executive committee it was decided that ball money for the coming season would have to be raised.

There has been a large increase in the price of first class tennis balls.

Junior tennis ball money was raised to 20 cents a week and senior players to 50 cents a week with full time students paying 30 cents a week.

It was also decided that all financial members be given the chance to obtain keys for the courts. Any member wishing to obtain a key should contact the secretary.

All members are to note that a working bee will be held on Sunday, September 20, starting at 10 a.m. Male members are expected to attend and female members are asked to do their best to come as the club house needs a lot of work inside.

BORG — PACE WEDDING

—Photo by courtesy Barry M. Sutton, 397 6017

Mr. Joseph Pace and his bride, the former Diane Borg, pictured outside the Sacred Heart Church, Newport, after their marriage on August 29. Nuptial Mass was celebrated by Father Hynan.

The bride who was married on the same day as her 21st birthday is the fifth daughter of Mr. George Borg, of Melbourne Road, Newport, and the late Mrs. Catherine Borg.

The groom is the eldest son of Mr. and Mrs. E. Pace, of David Street, Altona.

Bridesmaids were Mary Borg and Rita Grioli and the flowergirl Julie Pace. Pageboy was Mark Attard.

The groom was attended by Michael Borg as best man and Anthony Pace as groomsman.

A reception was held at St. Bernadette's Hall, Sunshine.

21st BIRTHDAY FOR LOCAL CADETS

On September 14 the Altona St. John Cadet Division celebrates its 21st Anniversary. It was originally known as Spotswood No. 2, and the Superintendent then was Mr. A. J. Ralph, and his Division Officer was Mr. C. Bright.

The name was changed in 1952, and shortly afterwards, Mr. Ralph left owing to business reasons, and was away for two years in which time Mr. Bright was in charge.

This division was instrumental in forming a Nursing Cadet Division, and it was about this time that a Parents Committee was formed, and the committee attended first aid classes and the Senior Division was formed. This was in 1958.

Mr. W. Noonan was made Division Officer (then known as Cadet Officer) on April 1, 1957.

In 1960 Mr. Ralph transferred to the Senior Division to become Superintendent.

In 1958, Mr. Ralph was awarded the Priory Vote of Thanks, and also in this year Mr. Ralph received his long service medal and bar. In 1967 the Queen awarded Mr. Ralph the Order of Serving Brother of the Venerable Order of St. John.

Mr. Noonan was made Superintendent on May 31, 1960, and had as his Divisional Officer Mr. K. O'Sullivan and Mr. H. Reynolds Sergeant, as his assistant. Mr. O'Sullivan transferred to Altona North Cadets, and Mr. Reynolds was made Division Officer.

In 1967 Mr. Noonan was awarded the Priory Vote of Thanks, and on June 13, 1968, Mr. Noonan was made Corps Officer of No. 2 Corps. Also whilst Superintendent Cadets, he received his long service medal and two bars.

When Mr. Noonan left to take up his new appointment, Mr. H. Reynolds, was made Superintendent, and has as his Divisional Officers Mr. F. O'Gorman and Mr. V. White. It may be interesting to note that during the time before the Senior Division, quite a number of employees from firms in the Altona area acquired their first aid certificate from classes started by the Division.

Another note of interest is that the original sergeant of the Division, Mr. D. Rattray, is a Major in the R.V.R., a unit of the C.M.F.

Over the 21 years over 250 cadets have been trained by this Division, but has had only eight officers, including the present ones.

HELLO GIRLS,

Yes, of course you know it! Touch and Glow Liquid Makeup by Revlon, it is one of their best sellers. This tinted liquid foundation, formulated with moisturising lanoline and delicate oils is suitable for everyone. Whether your skin is normal, dry, sensitive, extra dry or oily it still gives you that fresh natural look.

And, we hope you use a moisturising cream during the day. Smooth on a little Moon Drops Under Makeup Base, be pleased by the immediate absorption, the non-greasy finish. Notice how much easier it is to apply your makeup, see the smoother finish.

Be lucky! Right now, buy both for less than the price of one. These two have been partnered for you — Touch and Glow 2 oz. bottle — and a plastic bottle Moon Drops, Under Makeup Moisture Base — and at only \$2.40.

Professional hair colorists know that most color treated hair is "different". Different in porosity, structure, pigmentation and condition. It requires special care. It must be pampered.

Blue Mist is Revlon's proteinized luxury formula for hair that has been tinted, toned, bleached or rinsed. This exclusive formula is unique in a number of ways.

Unlike most sprays which have a somewhat yellowish color, Blue Mist actually has a faint blue cast. It does not alter the color, dull the color, or most of all, turn it brassy. It helps keep the color sparkling and true. Many sprays are apt to stiffen delicate, color-treated hair. Blue Mist has a flexible holding action that keeps color treated coiffures in place without being stiff or harsh.

Decore Lights Up is different. No more splashing bathroom walls, or color on hands. A lasting colour highlighter that lasts in your hair, applied in a jet-age way.

Altona Rotaract Chartered

Altona Rotaract — a service club for both young men and women — received its charter at a dinner-dance at the Altona Central Reception.

Photographed at the function were from left Elizabeth Szatkowski (secretary), Lexie Gray and David Shanahan (Community Service Director).

A number of Rotarians and their wives attended the dinner which was chaired by Altona Rotary President, Mr. Pie Beecham. Altona Rotary sponsored the new club.

Guests included members of other recently formed Rotaract clubs at Williamstown, Sunshine, Keilor and other suburbs.

The District Governor of Rotary District 280, Mr. Geoff Stevens, said that the World President of Rotary, a judge in California, has adopted as principle for the year to "Bridge the gap."

"He knows that, in one of the gaps in our community, that between the young and the parental generations, there was a need for a bridge to join them," said Mr. Stevens.

"He knows that Rotaract acts as a bridge between the generations."

"Rotaract recognises that young people want to serve other people," he added. "That this is done in a co-educational club is one of the reasons for its success."

Mr. Stevens said that the vocal section of youth received a lot of publicity. Rotaract members were an example of what was actually the "first-class quality" of our young people.

"Rotary in Australia has been traditionally 'dry'," he said. "Liquor has no place at the regular weekly or fortnightly meetings."

"If this simple rule is not followed in Rotaract you will deprive yourself of potential members."

Rotaract clubs were growing apace and there could be 35 of them in the district, comprising some 60 Rotary clubs, by the end of next June.

The members of these clubs for young people would enjoy the thrill of working together as a team.

"On behalf of the 11,000 clubs in Rotary throughout the World I extend a very hearty welcome to the Rotaract Club of Altona," said Mr. Stevens.

He presented the Charter for the new club to the President, Mr. Ain Utt.

Mr. Utt, Estonian by birth, is an industrial chemist with the Shell complex.

Mr. Utt said that he believed such a club would provide training for young people to be better leaders in the community.

"We expect our members to develop a social conscience," he said. "This applies to young women as well as men, as Rotaract is one of the few service clubs open to young women."

TALK BACK 70

EXCITING TIMES! Only a matter of days now! The official opening of the new St. Eanswythe's Church is eagerly being anticipated with an air of quiet expectancy.

Saturday, September 12, is the long awaited day.

The new Church is a delightful fusion of bold, modern design principles coupled with satisfying, aesthetic craftsmanship. It is a spectacular and rewarding monument to all who have contributed so much toward making it possible; the architect, the builder, the decorators and the parishioners who have contributed in so many ways.

Following the official opening of the Church, Talk Back 70 is scheduled for three consecutive evenings commencing Sunday, September 20. Already, planning for this stimulating event is well in hand. Responses to date are particularly encouraging.

Talk Back discussions are

eagerly being sought in many progressive parishes. Parishes which have already had Talk Back report great stimulation and enthusiasm. Anglicans in dissent, Anglicans in name only and regular church-goers have all shared the stimulating fellowship of these sessions. Many have expressed disappointment at having missed an experience which is quite new in Church activities. To those who do attend, highly rewarding evenings are assured.

All Altona people who in some way consider themselves to have Anglican affiliations are asked to act now.

Any enquiries telephone 398-1005. Baby sitting and transport can be arranged. Remember the dates —

Altona Ladies' Beetle Night

A Beetle Night will be held this Thursday, September 10, at 8 p.m. at the Somers Parade Kindergarten.

Bowling Club

Social bowls is underway again at the Altona Bowling Club.

September 20, 21 and 22, at 7.45 p.m. sharp in the new Church complex. Supper is provided.

THE CURTAIN RISES

BY THISBE

The Williamstown Little Theatre is presenting as its spring offering, Peter Schaffers, "Five Finger Exercise".

This play was chosen because of its appeal to teenagers and parents.

It tells the story of a family group slowly being destroyed by hidden conflict.

The family is full of talk and activity but no one listens and the silent appeals for help and understanding go unheard. The undeclared war between husband and wife and son & father continue until a young German tutor comes to live with the family. This stranger in their midst brings all these conflicts to a head and for the first time the family see themselves clearly.

The audience will enjoy this play because they will see a little of their own life in the problems that beset the real people of "Five Finger Exercise."

The play is very suitable for family and club discussion as well as being a very interesting and entertaining play.

The play will open on Wed. September 23, and run through until October 3.

Booking opens at E. S. Marrs on Monday September 13.

The Williamstown Little Theatres Workshop is open to interested people, young and old at 24 Albert St., on Wednesday nights at 8 p.m.

The paintings were all executed at Williamstown. The late Thomas LeBrun studied at the National Gallery and was a member of and an instructor at the Victorian Artists Society. He held a number of exhibitions of his work — landscape and marine — in Melbourne during his lifetime.

Swinging World

WITH RON COLEMAN

LET THE SUNSHINE IN

A group that has been hovering in mid-air for over three years is now starting to turn quite a few heads here in Melbourne.

Sunshine is a name that must be fairly well known around the scene because of the length of time that this group has been experimenting.

It all started back in 1967. Those were the good old days when we had places like the Love-In at Carlton and the Ginza.

Sunshine were first introduced to the public at the Love-In in September, 1967.

Ralf Boyd had been playing blues at various gigs around Melbourne before he teamed with Wally Edwards.

Wally, a self taught percussionist, came from a long line of noted musicians, it is claimed.

The following month Sunshine were contracted for a three-week stint at the Ginza in the "Flower Children Revue", a sensational hippie concept of audio visual entertainment.

Lack of work after the revue caused the group to split.

But Sunshine was reborn in a church hall at South Melbourne on April 22, 1968.

For five months the line-up remained intact but progress was hampered by a weak bass section.

So on October 4 that year, Ian Holding joined the ranks of Sunshine.

Ian had played in five groups since the age of eight.

With Ian, the group played around Melbourne and country areas for 12 months and made their first interstate trip in November last year when they travelled to South Australia.

Some 16,000 people turned out to see Sunshine and supporting acts at an outdoor freakout.

After Sunshine returned from their second successful South Australian tour in March this year, Brian Wilson (ex Wild Cherries) joined the group on lead vocals and rhythm guitar.

The band then settled down to a heavy ten week practice period which gave them time to work on original material.

So the band's current line-up is Brian Wilson, 22, lead vocals and rhythm guitar; Ralf Boyd, 20, lead guitar; Ian Holding, 22, bass, flute, vocals; Wally Edwards, 19, drums.

Win A Double Drive-In Pass

Judging by the number of entries received by us in the recent "Woodstock" competition the questions were too hard.

The three British groups appearing in the film are The Who, Joe Cocker and The Grease Band, and Ten Years After.

No one managed to get all three right.

So this week two people will win double passes to the Brooklyn Village Drive-In.

Simple name the singer of the Australian hit, "Crying in the Rain". He is in Singapore now and used to be a regular on "Happening 70".

Address all entries to "Swinging World", C/- Altona Star, 108 Pier St., Altona, 3018.

First two entries pulled out of the bag will win double passes to the Drive-In.

TONY ROBSON WINS THE DE ROSE MEMORIAL

Owing to a long list of scratchings, due mainly to illness, the Jim De Rose Memorial Road Race was postponed from August 29 and held last Saturday.

Although weather conditions were not conducive to good fields, officials were well satisfied with the turn-up.

Limit markers Ray Scott and Noel Austen, who have both returned to racing after spells, held sway for the first 20 miles and shared the 10 and 20 mile sprints between them.

Considering their limited preparations their withdrawal following the second sprint should be no reflection on their respective futures in the sport.

John Pryor became the leader only to be caught by Geoff Salter and Tony Robson soon after.

John took out the third sprint but lost contact with Tony and Geoff five miles later.

Applying pressure Tony broke away from Geoff and was alone in front to win sprint No. 4.

He continued on and gave the opposition little chance of getting back into the race and recorded a very comfortable victory.

Tony also recorded fastest time. Geoff proved a courageous second placegetter while John Pryor finished third.

Colin Robson, who produced a great solo effort whilst endeavouring to pick up the leading trio gave notice that he will be a real force next road season.

RESULTS

Jim De Rose Memorial 46 Mile Handicap. — Fastest and 1st, T. Robson, handicap 7 mins., 30 secs.; time 1 hr., 56 mins., 4 secs.; 2nd, G. Salter, 7 mins., 30 secs.; 3rd, J. Pryor, 9 mins.

Aggregate progress: L. Constanainou 114, T. Robson 79, C. Robson 61, J. Pryor 45, G. Salter 27, W. Hendricks 25, W. O'Brien 12, M. Reynolds 5, T. Reynolds 3, F. Miller 3, I. Salter 2, M. Lyons 1, G. Shieker 1, N. Austen 1, R. Scott 1.

This coming Saturday the boys will contest the "Wendouree 110." Robert Wouda and Ian Salter both rode in the 500 mile tour of Western Australia.

Five times Sun Tour winner Barry Waddell won the event with Robert in nineteenth place while Ian finished twenty-fourth.

ROBERT BODINGTON WIN A GRADE TABLE TENNIS GRAND FINAL

The Robert Bodington combination of Alan Coustley, John Garvin and Lindsay Loone won their second successive A Grade premiership when they fought back to defeat Williamstown Colts (Steve Slattery, Barry Taylor, Mike Dudziak) 6-4, 13-10, 428-398, after being in trouble early.

Early in the match Colts appeared to be gaining the ascendancy following a narrow win in the doubles by Slattery-Taylor over Coustley-Loone, 21-11, 14-21, 21-17, and a decisive straight sets victory to Barry Taylor over Alan Coustley, 21-11, 21-11.

The turning point in the match came when Lindsay Loone, playing magnificently, defeated Steve Slattery in three sets, 21-16, 17-21, 21-17, to bring Bodingtons back into the game and with good wins to John Garvin over Mike Dudziak and Coustley-Garvin over Dudziak-Taylor they had established a handy 5-3 lead.

Colts fought back when Barry Taylor defeated Lindsay Loone 21-16, 21-16, but it was to no avail as leading A Grade player Alan Coustley swept through Mike Dudziak 21-16, 21-10 to clinch the match and premiership.

Bodington's best players were Alan Coustley and Lindsay Loone who won 2 rubbers each whilst for Colts Barry Taylor was a star in defeat winning all 3 rubbers.

B1 GRADE GRAND FINAL
In an evenly contested match Brooklyn (Barry Watson, Alan Dyall, Reg Hewett) had to produce their best form of the season to defeat AGM (Dianne Faust, Lance Evans, Ray Blythman, Wally Rosenzweig) 6-4, 15-11, 518-442.

Brooklyn went to a narrow 2-1 lead following good wins to Alan Dyall and Barry Watson over Ray Blythman and Dianne Faust, respectively.

AGM fought back to lead 3-2 when Rosenzweig-Evans narrowly defeated Dyall-Watson, 21-14, 16-21, 24-22, in the doubles, and Lance Evans defeated Alan Dyall in a marathon three set battle 21-14, 19-21, 25-23.

The lead continued to fluctuate, and when Watson-Hewett defeated Rosenzweig-Evans in the second doubles the score was 4-all.

Barry Watson and Alan Dyall, who were steadier in the crisis, wore down their opponents and ran out comfortable winners against Lance Evans and Dianne Faust, respectively, to seal AGM's fate.

B2 GRADE GRAND FINAL
Reckitt & Colman (Ted Powell, Alan Evans, Jack Jennings) and Ballarat Road Methodists (Robert McInnes, Alby Richardson, David Woodyard), the second semi-finalists clashed again in the grand final.

Reckitt & Colman were quicker to settle down and quickly went to a 2-1 lead

with good wins to Ted Powell over Alby Richardson, 21-16, 21-15, and Jack Jennings over David Woodyard, 21-16, 21-11. Ballarat Road Methodists then surged to the lead with a string of four wins and the match looked over.

Reckitt & Colman, not to be denied, fought back under pressure with wins to Jennings-Evans over McInnes-Woodyard in the doubles and a 2-set victory to Ted Powell over David Woodyard.

Trailing 4-5, Jack Jennings then had the formidable task of defeating Robert McInnes to keep the match alive and although he tried his utmost found McInnes too talented and went down 15-21, 5-21, thus giving BRM the flag.

Bob McInnes starred for BRM, winning all 3 rubbers and was ably supported by Alby Richardson and David Woodyard who produced his best form of the season.

Reckitt's best player was the reliable Ted Powell who won 2 rubbers. Team-mate Jack Jennings won 1 rubber.

HANDICAPS
Handicap tournaments will be conducted on Tuesdays and Thursdays from September 8 to 10 till the start of the Summer Pennant.

SUMMER PENNANT
The number of entries received at this stage is most encouraging when compared to previous seasons. However, the number of entries is nowhere near sufficient to enable the pennant committee to conduct a ladies or junior pennant or to commence grading for the Summer Pennant.

All enquiries should be directed to the Association Secretary, Mr. Ray Blythman, on 391-2211, Ext. 125 (business) or 391-1205 (private).

LISTON-ESPLANADE TRAIL IN GRAND FINAL

Liston-Esplanade's "C" Special team is in a bad position in its grand final encounter against Dandenong Recreation, trailing four rubbers to nil and winning only one set on the first day's play.

When it was learned that Liston-Esplanade's opponents in the grand final were Dandenong Recreation it was obvious that this team must be of high standard to have beaten the strong Glen Iris players in the semi-final.

Early in the day the class of Dandenong Recreation began to prove itself for their general play was business like and efficient and they functioned as a well moulded and fit team.

Dandenong would be a most worthy side in "B" Pennant and would make their presence felt in a higher grade.

John Hewitt and Robert Walker were the only pair for the locals to win a set in what was a disastrous day for the locals.

John and Michael Kelly made a great fight in their rubbers and lost the last set 8-6 after a close battle.

This Saturday the match will conclude with the playing of the four singles rubbers which Liston-Esplanade must now win all and in straight sets at that. Not that is an impossible task but the odds are heavily weighted in Dandenong's favour.

The collapse of the locals was of course a great disappointment after such an outstanding season but they were definitely not playing up to their best form whilst the opposition was playing very good "B" Pennant tennis.

Dandenong were experts in the art of lobbing and time and time again they lobbed beautifully to the exasperation of the Liston boys. The locals failed to hit winners off high tosses whereas Dandenong were particularly strong overhead and dynamic on volleys.

In the field of coming tennis events this year's Victorian Hardcourt Championships will be held at the Grace Park Tennis Club later this month.

The Liston-Esplanade club is also currently planning its

championships, whilst the Western Suburbs Tennis Association will commence its local Summer Pennant competition on the last, Saturday in September.

One club member who has some big plans for his future in the next few weeks is Gareth Seiber. Gareth has decided to go to Bougainville where he intends to work for twenty-two months in connection with the copper project which is presently well advanced in preparation for commencement in 1972. Gareth was a member of the club's winning "D" Pennant team last year and this handy player and committee member will be missed from club activities.

David Fowler is another who will miss the Summer Pennant for this Summer sport.

E GRADE
Glenroy defeated Altona, 3-1.
A lack of effort in the first half was the main reason for Altona's defeat. Only two Altona players did well in this first half.
It was a different matter when play resumed but the tight Glenroy defence worked too well and N. Hunter managed to score Altona's only goal and was unlucky not to score another one soon after.
It was very disappointing for the E Grade side to turn up to a finals game and find that they were short of umpires.
E Grade will hold a barbecue on Saturday night. All welcome.

BRILLIANT VICTORY TO NEWPORT IN GRAND FINAL
In the first quarter Newport were finding it difficult to get any system into their play and could not break through the tight Diamond Valley defence and trailed by 4 points.
Diamond Valley were playing well in the second quarter and scored a couple of early goals. Newport's kicking for goals was letting them down and the blustery wind was affecting the overall standard of play. Newport could only manage one goal for the quarter to trail by 13 points at half-time.
It was a different Newport side after the half-time interval as every player lifted his game tremendously. The players were starting to team together well all over the field and were gradually pegging back Valley's lead and only one point separated the teams coming into the last quarter.
In the final term Newport dominated the play right from the first bounce and were continually in attack for most of the quarter.
Newport were now well on top of a tiring Diamond Valley and the determination of every player in this quarter was magnificent as the side piled on 7-3 to 2-2 in a scintillating burst of football and went on to record a brilliant premiership win by 30 points.
Scores: Newport Methodists, 13-15-93; Diamond Valley/Rosanna, 9-9-63.
Goals: Harris 4, Miller 3, Bridle 3, E. Rowe 2, Seers.
Best: E. Rowe, A. Self and the other 16 players.
Congratulations is extended from all players and supporters of the club to Evan Rowe who has done a tremendous job in his first year as playing coach and was justly rewarded with a premiership for his efforts throughout the year.
This Friday night (September 11) the Annual Presentation Night will be held at Talbot Hall, Williamstown.

The match began with all the excitement of all grand finals and the Deacons goalled quickly and kept lead at quarter-time to 4-3.
The score at half-time was 7-all and at the last change the Deacons were 2 down (12-10).
In the last quarter it was "all in" and both teams really strived to win the medal, but the overall strength of Caulfield prevailed and they ran out winners 17-13.
The Deacons only lost two matches during the whole season. Unfortunately, they were the preliminary final and grand final.
This week at Williamstown on the Fearon Reserve the first A Grade grand final for over 33 years will be played between the Fearons and Malvern Black.

Malvern, who will be playing in their 50th consecutive grand final, are a team which can rise to the occasion when a medal is to be decided and the two recent defeats handed out to them by the Fearons will be forgotten this Saturday.
Rod Cordell, captain of the Fearons and winner of the V.A.L.A. Best and Fairest, will be present to receive his trophy, but, unfortunately, he is recovering from an appendix operation and will not lead the Fearons to victory.

BY "WRONG BIAS"

Royal Victorian Bowls Association Councillor, David Klein, officially opened the greens for the 1970-71 season on Saturday last.

The Mayor-elect, Cr. Doug Grant and his wife were in attendance.

Conditions were cold and windy but ten ends of social bowls were played and the trophy was won by Bill Condon's team.

Bill was ably assisted by Lindsay Craig and Lara player Ken Gilmore who also won the ditch to ditch.

The spider was won by our highly esteemed life member Bill Grant.

Representatives from the following bowling clubs were our guests: Footscray City, Flem-Kensington, Werribee, Bacchus Marsh, Yarraville-Seddon, Lara, Rosamond, ICI, Footscray Park, Sunshine, VRI.

Both greens are in perfect condition for the new season and the club house has recently been repainted inside.

At afternoon tea time David Klein presented RVBA badges to Club President Bon Deacon and Club Champion Len O'Donnell. These badges are given to members for

meritorious services to bowls. During the evening members and visitors celebrated by dancing in the club house till 11.30 p.m. to Mrs. Williams' excellent 3-piece band.

ALTONA CITY HAMMER PRESTON

Preston arrived at Kim Reserve on Saturday brimful of confidence. They were only one point behind the League leaders and with an easy run home in the last four games they looked set for the State League.

Of course, what they didn't know was that the mighty Maroons from Altona City were back to full strength after a long series of injuries and there is no doubt that Altona are the best team in First Division when the top players are fit, and the way they defeated Preston by 3 goals to nil proves it.

Also, in a secret trial for Sunday's GTV9 game, Altona thrashed State League side George Cross by 3 goals to 1.

Saturday's game was a real treat for the home side supporters. Ackers, Hynes, Kean and King were all back to top fitness and the will-of-the-wisp Billy Savage, in his new role of goalmaker gave Jordanus and Herman a saloon passage. Add to this the vintage play of Jim Balish who, like a good wine, improves with age. In the past few weeks he has blotted out the star player in the opposition's attack.

Copley and Colbard are the two fastest full backs in the League and it's hard for wingers to get past these two.

Roberts, when he puts in 90 minutes of concentration is a brilliant goalkeeper.

The talking point among the crowd of more than 500 was how the Altona players played with such enthusiasm. They don't receive any money for playing, while Preston are on \$15 a win. The answer to this is easy — the Maroons are playing for

a City which gives soccer a go, and these lads will play their hearts out every week just for the sake of the name Altona!

In the first half Savage ran riot and the "Werrabee Kid" Jordanus caused no end of trouble with his quick turns and lightning speed.

Ray King was really getting stuck into it and when he does he is a dangerous player.

Savage missed two open goals before he laid one on a plate for Herman to crash home.

Jimmy Ackers was filling the middle of the field mopping up every loose ball and anything that got past him was cleaned up by Balish and Hynes.

The second half saw Altona keep up a relentless pressure on the Preston goal. Ray King flashed into the middle of the field and thundered home a great left foot shot to put Altona 2 up.

Minutes later Keane followed up on good work by Herman and Jordanus to belt home No. 3 to give Altona a great victory.

Altona's next game is at Richmond.

RESERVES

The interest being shown in the Reserve game is mainly due to the fact that 8 of the players are under 17 years of age. Four are only 15 years of age.

In their 3-nil win over a more experienced Preston, it was two of these 15-year-olds that scored the goals. Bobby Saxton made a "dream debut" scoring two fabulous goals. Mick Micevski scored his first goal in the big time. Ltheim and Straubinger also had a good game.

Seventeen-year-old John Collins and Charlie Neal are now considered veterans.

Collins, in the role of linkman, put in some good work.

Frankie Loughran, the ex-Australian player, is captain of this side. Frankie is in his 40's and his experience is helping the Altona "babes" fast reach maturity.

SPECIAL EFFORT

Friday night was a night to remember for an Altona City supporter, Hugh Murray.

Cr. Pat Lynch pulled Hugh's name out of the barrel in the drawing of the Special Effort. No. 234 gave him a cheque for a 4-figure sum. Hugh plans to provide his future grandchild with a few necessities.

Camera Club

At the next meeting of the Altona Camera Club on Friday, September 11, some of the basics of photography will be discussed.

The judging of the August competition will be announced by Bob Hawkins, judge for "Close Up."

The September competition should be well underway. The subject is "Open" and a large entry is expected. Entries are to be ready Friday, September 25.

The Altona Camera Club meets every Friday of the month (except the first) in "The Homestead," Queen Street at 7.30. Ring 398-1937 for further enquiries.

Altona Life Saving Club

The monthly executive meeting of the Altona Life Saving Club was held in the clubhouse on Tuesday, September 1, with Mr. R. Edwards presiding.

The chief instructor reported that swimming training resumed on Monday September 7. The bus leaves the clubhouse for Richmond Baths at 6.30 p.m.

Some bathing costumes and caps had not yet been handed in since the club championships. Any members still holding them are requested to hand them in immediately.

DONATION

A letter congratulating the club on its good work and a donation to club funds have been received from Petroleum Refineries (Australia) Pty. Ltd.

ANNUAL GENERAL MEETING

To enable a representative of the Royal Life Saving Society to be in attendance at the annual general meeting, the date has been changed to Monday, September 28. Will all members please note this change.

ANNUAL DANCE

His Worship the Mayor and Mayoress, Cr. P. A. Burns, J.P., and Mrs. Burns, were guests at the annual dinner dance on Saturday, September 5.

A successful evening was somewhat marred by the absence of Mr. and Mrs. J. Byrne due to a heart attack suffered by Mr. Byrne on Wednesday afternoon, September 2. He collapsed at work and was admitted to Footscray Hospital in a very serious condition. Only the very prompt action by his employer, Mr. A. Hynes and members of his staff and the doctor gave Mr. Byrne a chance of survival. At the moment he is making good

progress after three or four very worrying days.

Mentioning this very unfortunate occurrence the president of the club, Mr. Roy Edwards, spoke of the invaluable work done by Mr. Byrne since he joined the club in 1952, not long after the club was re-formed.

Mr. and Mrs. Byrne were to have left by air on Sunday for a holiday in the U.K. and were to have been given a farewell gesture at the dance. The holiday has now been postponed indefinitely. Everyone will wish Mr. Byrne a speedy and complete recovery.

AWARDS BY MAYOR

Cr. Burns who is chief patron of the club, was invited by the president to present awards gained during the year. Mrs. M. Mellett received the Victoria Associates Badge, Mr. G. Shanahan received the Certificate of Thanks granted by the Commonwealth Council and Mr. Roy Edwards received a Bar to the Recognition Badge also granted by the Commonwealth Council in London.

Cr. Burns congratulated all three on gaining these high awards and thanked the club for the work it was doing for the community.

SPECIAL EFFORT

The special effort recently conducted by the club resulted in a win to Mr. A. Bowden, of PRA, ticket No. B9 Green.

Everyone who attended the dance and all who supported the special effort are sincerely thanked by the president and executive committee.

SCHOOLS SOCCER

The 1970 School Soccer League played its final game for the year in perfect weather conditions on Sunday last.

After the games the boys were presented with their trophies and a party was held in the Stan McIntosh Pavilion.

The Altona North Primary School team won the premiership.

Runners-up for the L. Noordenne League Trophy had to be decided by the games played on this day. East played West and won 14-nil. Altona lost to Seaholme 1-2, which gave the runners-up medals to East on goal average.

At the presentation of trophies and medals the opening address was given by Mr. F. Walsh (Secretary) who complimented all the boys and their coaches on a wonderful display of sportsmanship and team spirit which has been prevalent throughout the season. Then he handed over to Mr. L. Noordenne who said he was pleased with the wonderful response the parents

had shown by supporting the teams, and in particular Mr. L. Roberts who has been the backbone of soccer in the schools.

Mr. L. Noordenne presented his trophy to the captain of Altona North and each player was presented with a gold medallion. As Altona East were runners-up they were presented with a silver medallion.

Best and Fairest trophies were then presented to: V. Pace, Altona; T. Pinney, Altona West; J. Dimitriov, Altona East; Goricane, Altona North; A. Hadzic, Seaholme.

Special mention was made by Mr. Roberts to P. Neyland and M. Vanderpoel, both from Altona who were outstanding players and each was presented with a pen.

The coach for North, Mr. I. Jackson, presented special trophies to the goal scorers in his team — 15 goals each, a magnificent effort.

The boys of each school presented gifts to their individual coaches.

Photos were taken and parents will be notified at a later date of results.

Altona Win W.S.F.L. Premiership

Although Centrals tried valiantly all day against Altona, having to make up a 23 point deficit at the end of the first quarter told against them.

Altona kicked seven goals straight before registering a behind in the first quarter while Centrals managed only 3.2.

Centrals reduced Altona's leeway to 17 points at half time, and only four points (in Altona's favor) separated the sides at three quarter time.

Centrals played desperately to level the scores, but then seemed to lose heart after an umpiring decision went against them.

Half forward flanker Rex Cole had handballed to a teammate running downfield while on the ground, but then he clashed with an Altona opponent behind the play. The field umpire pulled up play and bounced the ball, thus halting Centrals' onslaught.

From the bounce Altona surged forward to where full forward Ron Schwabe was freed. A glorious 60-yard goal resulted and then spurred Altona on towards a 22 point win.

Altona full forward Ron Schwabe, together with centre half forward Gary Munro proved Centrals' stumbling block.

They kicked 12 of the side's 17 goals between them, and Schwabe in particular beat three opponents and continually outmarked all and sundry.

A good goal to goal line gave Altona the edge while Centrals had to rely on nippy rovers Kevin Gilchrist and Jeff Lott and half forward flanker Rex Cole for their drive.

In a sensational finish to the Under 18 grand final, Newport's John Bester had an opportunity of drawing the match when he was freed on the final siren.

With supporters streaming on to the ground Bester made a good attempt from 40 yards out on the boundary line, but registered only a point, to give Altona a five point win.

In one of the best games of Under 18 football witnessed this season, both sides alternately led throughout the match with not more than 13 points separating them at any one stage.

A see-sawing battle saw Altona lead 3.3 to 2.2 at quarter time and by two points at half time, 6.5 to 6.3.

Newport established a two goal break soon after the start of the third quarter, but Altona came to regain the lead and go seven points ahead.

Then it was Newport's turn again as Bob Coleman raced into goal brilliantly on the run and then big Ross McMaster marked surely to boot another major on the siren.

Newport led 10.7 to 9.5 at three quarter time and then it was to be goal for goal until the final siren.

At the 18 minute mark Altona went one point ahead, but the scores were levelled two minutes later when Newport's Ravencroft could manage only a point from 30 yards out.

Altona virtually sealed the match at the 23 minute mark when Blokkeerus goaled to put them six points in front, but Newport were not to be outdone and did not give up trying until the final siren.

Both sides had many good players, a couple of whom could certainly emerge as promising League material.

It was a credit to both sides for the way they played out the match with plenty of hard physical clashes but no spite whatsoever.

Even altercation between two players behind the play in the last quarter was quickly cleared up with the field umpire having full control of the match throughout, in a most creditable display.

OPEN AGE

Altona 17.14.116 d. Central Altona 14.10.94.

Altona's stars were Ron Schwabe 7, Del York, Graeme Brennan, Gary Munro 5, Danny Brennan and Ron Lawson, while others to score were S. Chatfield 2, J. Riley and A. Molloy.

Good performers for Central Altona were Rex Coles, 2, Jeff Lott 3, Kevin Gilchrist 4, Michael Lawrini, and Neil Davies, while other scorers were M. Kizan 2, R. Smutney and K. Collins.

UNDER 18

Altona 13.9.87 d. Newport 12.10.82.

Altona were best served by captain and ruckman Ron Gordon, who dominated around the packs in the first half and won many hit outs; nippy rover Steve Grainger who figured in many forward moves; Ian Hardham (centre), Henry Zapart and Kevin Dern, who were strong in defence; and Neil Courtot, who kicked two invaluable goals in the last quarter after freak marks to give Altona victory.

Courtot was the side's top goal kicker with four, and another two of his shots hit the post.

Other goal scorers for Altona were Frank Grego 3, Steve Grainger 2, Wayne Patton 2, Phillip Tyrell and Jeff Blokkeerus.

Newport's best were Ross McMaster, who has proved a real "find" over the final series and he finished with another four goals last Sunday; defender Stan Hickey, who turned in his best game for the season; Gary Woods at full back, who was tough and sure, and kicked out magnificently; ruck rover John Bester, who was in every-thing all day; and wingman Frank Callus, who took many courageous marks and played with a lot of fire and devil.

Other goals were scored by Ian Howard 2, Gordon Duncan 2, John Bester, John Moloney, Alan Flavel and Bob Coleman.

SPOTSWOOD FOOTBALL CLUB

A GRADE GRAND FINAL

Playing at Yarraville Oval against West Footscray, Spotswood went to a handy 3 goals lead at quarter-time.

In the second quarter Spotswood carried on from where they left off in the first and continued to play attacking football against the wind and increased their lead at half-time to double West Footscray's score: Spotswood, 6-8-44; West Footscray, 3-4-22.

In the third quarter West fought back magnificently and gave the Spotty backs a torrid time. Trailing by 22 points at half-time West had a 14 point lead at "orange time."

Spotswood fought hard to get the ball forward in the final term but West Footscray, attacking strongly scored three quick goals, making it hard for Spotty to get back in the game.

Spotswood fought back gallantly to kick 4 goals but West were too strong in the concluding stages to win the premiership.

Scores: Spotswood, 11-14-80; West Footscray, 14-9-92. Goals: Manolakakis 2, B. Hewet 2, Wadeson 2, Murphy, Ham, Elliott, Biddick, Nicol.

Best: Cody, Murphy, Elliott, P. Granger, Petherick, McDonald, McAsey, Manolakakis, Nicol.

UNDER 18 GRAND FINAL

Spotswood were slow in settling down against Braybrook who kicked 5 goals in the first quarter to put Spotty under pressure.

Spotswood, although trying hard, could not get into the game and were well behind at three-quarter time and Braybrook again proved too good in the final term to run out easy winners.

Scores: Spotswood, 6-12-46; Braybrook, 13-14-92. Goals: Thomas 3, Harley, Page, Hughes.

Best: All players tried hard.

UNDER 16 GRAND FINAL

Spotswood had a hard battle all day against West Footscray to win the premiership undefeated.

Scores: Spotswood, 11-7-73; West Footscray, 8-9-57. Goals: Scott 4, Harley 2, Bright 2, Walker, Collins, Cottee.

Best: All players did well in a good team effort.

YOUTH CLUB HOLDS ITS ANNUAL MEETING

"The objects of the Altona Youth Club have been fulfilled and it has been most gratifying to see the sustained interest in the many activities," said the President, Cr. Les Crofts, in his report to the Annual Meeting in August.

He continued: "I mentioned in the 1969 report that the Youth Club building would require extending to accommodate the increasing range of activities. This is more true today than it was 12 months ago and I feel that the committee should, early this coming year, prepare plans for these extensions for presentation to Council for their approval."

"It was very disappointing to the Committee and the teenagers to receive a knock-back from the Lands Department which refused to grant a portion of land at Taggerty on which to erect the old Altona Post Office as a future chalet. We are now negotiating to sell the old post office and use some of the money to purchase camping equipment for the teenagers."

"Boxing under the capable leadership and coaching of Mr. Bill Hodgson continues to be very popular. Through the efforts of many, in particular Mr. and Mrs. G. Luck, Bill Hodgson and some of the parents of the boxing boys, a new boxing ring has been purchased and three authorised tournaments under the auspices of the V.A.B.A. have been held, all very successful."

"Likewise the weightlifting classes have proven popular and are well attended. Alf Gerone is doing an excellent job as leader of this group. A gymnasium class for boys was commenced but at present is in abeyance due to the need for a qualified instructor. A Junior boys' gymnastic class has just commenced on Saturday mornings under the leadership of Bruce Salloway and by the enthusiasm of the members, this class should continue to be popular."

"During the year the judo class lapsed because of the lack of a trained leader. However, we are negotiating to recommence this class."

"Brian Kurl of the Victorian State Basketball team has re-commenced basketball classes after his return from an overseas trip with the team."

"A new and extremely welcome addition to activities is that of the Teenage Committee. The teenagers under the leadership of John Hogan, Shane and David Luck and John McArdle have successfully organised sports nights, teenage dances, car washes as well as assisting with the canteen. It is extremely encouraging to see teenagers taking such an active part in the club."

"Altona City Marching Girls train on Tuesday evenings with Mr. Clark in charge. The marching display at the opening of the Stanley McIntosh Soccer Pavilion showed what can be achieved in such a short time. We are looking forward to an increasing interest next year."

"Table tennis and billiards have kept the teenagers active and it is hoped that table tennis teams will be entered in the Western Suburbs competitions next year."

"No report would be complete without an expression of appreciation to those who do so much in the interest of the youth of Altona. The committee, goalkeeper, Mr. and Mrs. Luck for their untiring efforts, the doctors and St. John Ambulance who attend the boxing displays, coaches and instructors, and above all the secretary, Mrs. Barbara Hyde. To each and every one, I ex-

press my deep appreciation."

Office bearers elected for 1970/71 were—

President: Cr. W. L. J. Crofts.

Vice Presidents: Mr. A. M. Brown, Mr. T. G. McGarry.

Treasurer: Mr. V. R. C. Simmons.
